Alcoholics Anonymous is a fellowship of men  
and women who share their experience, strength  
and hope with each other that they may solve  
their common problem and help others to  
recover from alcoholism.

The only requirement for membership is  
a desire to stop drinking.

There are no dues or fees for AA membership:  
we are self-supporting through our own  
contributions.

AA is not allied with any sect, denomination,  
politics, organization or institution; does not  
wish to engage in any controversy, neither  
endorses nor opposes any causes.

Our primary purpose is to stay sober and help  
other alcoholics achieve sobriety.
