Alcoholics Anonymous is a fellowship of
men and women who share their
experience, strength, and hope with each
other that they may solve their common
problem and help others to recovery from
alcoholism.

The only requirement for membership is a
desire to stop drinking.

There are no dues or fees for AA
membership; we are self-supporting
through our own contributions.

AA is not allied with any sect,
denomination, politics, organization, or
institution; Does not wish to engage in any
controversy, neither endorses nor opposes
any causes.

Our primary purpose is to stay sober and
help other alcoholics achieve sobriety.
